Conflicts

Between the weekly program and being on crew for a show, the Apprentice Program can lead to a busy summer. Please list any trips, other camps, appointments, or any other commitments that might conflict with the program. Also, if you know there are certain shows you have no conflicts with or would prefer to do, please list that below as well!

We want to get to know you a bit and learn why you're interested in the program! Please respond to the following questions below (feel free to use the back of this sheet or an additional sheet of paper if needed).

What do you hope to learn from a summer at the Barn?

What is your favorite aspect of theatre and why?
